

Profile Time Zone and Language

Quick Reference Guide

Below are instructions on how to set the Language and Time Zone for a user profile in the PayiQ portal. The user will adjust these from their profile to change the way information appears in the portal for them.

1. Select Edit Profile from the menu seen here.

2. Under Preferences, select the Language and Time Zone from the dropdowns.

A screenshot of the PayiQ 'Preferences' page. The page has a header with three tabs: 'Edit Profile', 'Contact Information', and 'Preferences' (which is selected). Below the header, the 'Preferences' section is titled 'Manage your preferences here. Click on "Save Changes" when you're finished.' The 'Language' section is highlighted with a red rectangular box. It contains a dropdown menu labeled 'Language *' with the text 'Select Option' and a downward arrow. Below the 'Language' section is the 'Time Zone' section, which contains a dropdown menu labeled 'Time Zone *' with the text 'Select Time Zone' and a downward arrow.
